

# MISSION UPDATE

Cal and Jessie Stuebner | Managua, Nicaragua

## PRAYER REQUESTS | FEBRUARY, 2021:

Dear Prayer Warriors,

Please continue to pray for the apologetics unit Jessie is teaching on Creation versus evolution. The unit ends Tuesday, but it already has had many students thinking and evaluating. Pray that it continues to speak truth into their hearts and minds for years to come.

Please pray for two of Jessica's students: There is a young lady with Asperger's named Zasha who is an atheist who really needs to know Christ. Also, Kaleb is a young man who is passionate for the Lord and for scripture but is caught up in legalism and lacks the ability to show love to others. He's been on Jessie's heart a lot lately. Both are students she talks to regularly

Please pray for the work on the children's ministry room in the old bakery building, and that a construction worker named Yader, who's working on the Sunday School building, would come to the Lord.

PTL Sunday services continue to grow, but still pray for more to return to the church as many still have a fear of the virus.

Please pray that Cal would get over his sore throat and headache, and that Jessica doesn't get sick.

**Rejoicing in Christ always,**

**Cal and Jessie Stuebner**
